

Has SOCIAL DISTANCING ever happened in Scripture?

Adam and Eve had to leave the garden

NOAH WAS IN AN ARK

Joseph was in a pit and prison

Jonah was in a whale

Daniel in the den - overnight

Can you imagine traveling for 40 days WITHOUT:

1. Wifi - media - cell phones
2. Good views - scenery
3. Good smells - do to animals
4. A good place to play
5. Knowing where you were going
6. Knowing how long you would be trapped inside

In America we have many BLESSINGS

1. We get to travel
2. We have many choices
3. We have varieties
4. We have many social interactions - family sports friends
5. Freedom of religion

We do not like it when we have LIMITS

1. Not able to travel
2. Not able to see friends
3. Not able to do sporting activities
4. Not able to go to restaurants of choice

Yet in the times of being limited God is STILL working

1. When Adam and Eve were separated a plan of salvation was being put in place
2. During the time of the flood there was a cleansing
3. Joseph was being elevated without knowing
4. Jonah was being taught grace and mercy
5. Daniel reaped the reward of obedience

This is not the first time social distancing has happened

God is still in control

Solitude is a time to grow
